Preliminary plan to update 9-25-2020.pdf2020-2021 6-8 Casey High School Supply List.pdfZadok Casey High School exists to promote the growth and well-being of education for our students, staff and community. We accept at least student success! On behalf of myself and Zadok Casey High School staff, I would like to express our sincere hope that every student has a successful and enriching high school experience. Our goal is to encourage and support every student to help instill inner love to learn and promote qualities that support positive growth and development. Our school philosophy is Respect for Yourself – Respect for Others – Respect Property. We believe in a fair and consistent which encourages students to be responsible and respectful. Casey High School strives to create an environment that builds courtesy, kindness and respect for all. It is very important to create communication between home and school is communication. Please feel free to make a meeting to meet your child's team of teachers. Also, review the student's agenda each night to learn about homework and future activities. We are all responsible for the success of our students - working together is essential to help every child fulfill their potential. Remember that daily participation is essential for academic success. Being timely and ready for school will increase student achievement. I am grateful to work with my child every day. Please contact me with any questions or concerns. Thank you, Zadok Casey Principal, p. WilliamsSchool-board & Public announcements Learn more about how to get involved in home rentals and sales near this school This school is rated below average school quality compared to other schools in Illinois. Students here are doing below average year-over-year academic improvement, ... More of this school has lower than average results, how well it serves disadvantaged students, and students perform below average for state testing. There are significant differences in this school, which is associated with the level of suspension. Students at this school are making less academic progress, depending on where they were last year compared to similar students in the state. Low progress with low test results means... that students start from a low point and decline further than their peers. Parental advice test scores in this school fall below the state average. This shows that most of the students in this school may not be performing at the grade level. Primary Tip Notice Something Is Missing or Confusing? Property disadvantaged students in this school may be far behind other students in the state, and this school may have significant achievement gaps. Parental advice Student results percentile Low income and underservedminority students All other students in school ENVIRONMENT CCPAMiddle school, elementary school, public schools Be the first to review!
